Curriculum Notes

ELA: We will continue to read A Christmas Carol. Students will identify cause and effect as Scrooge continues his visits with the three ghosts. Students will study vocabulary, and respond to various prompts for writing about their connections to events in the story. A Christmas Carol test will be on Friday, December 7th. Students will also begin reading short stories.

Social Studies: Students will conclude their world religions study. There will be a test covering the 5 major religions studied, on Tuesday, December 4th. Students will also be learning about Hammurabi and the code of laws. They will be conducting a skit in small groups. Finally, students will begin learning about the continent of Africa.

Science: The Investigation 7 test will be on Friday, December 7. Next week, we will begin learning about solutions. Students will mix substances, observe dissolving, and use balances to compare densities and infer concentration.
