

Chatfield School Staff and Faculty Professional Development 2015-2016 School Year

Michigan School Code calls for the board of each school district, intermediate school district, or public school academy to provide at least 5 days of teacher professional development. The Chatfield School has seven professional development days built into the teacher school year calendar. Additionally teachers have the opportunity to participate in professional development during the school year and throughout the summer break as requested or assigned by The Chatfield School. Below is a list of some of the Professional Development opportunities that our staff or selected members of staff have participated in during the 2014-15 school year.
