The format is going to be a little different this year. There will be practice/Skill weeks and game weeks. They will alternate back in forth. The skill weeks will be run like a camp, but with smaller numbers and very focused instruction. We would like coaches to help and be involved on practice days as well. On game dates there will be no practice time before their games. Boys and girls in grades 1-2 will play on 8 foot baskets during the season (between 9:00 a.m. and 11:00 a.m.) while those in grades 3-4 will play their games on regulation 10 foot baskets (between 11:30 and 1:30 p.m.). Boys and girls will play together on both levels in the CYBP.

Each game will consist of two 20 minute “running clock” halves while being officiated with volunteer officials trained by a licensed basketball official through the MHSAA.

The Chatfield Youth Basketball Program is a volunteer-based activity and will need help to allow the program to run smoothly each week. We expect all parents to have a vested interest in development of their child through this program. This includes helping with operating the scoreboard, concession stand workers, and the always important coaches. ***Please complete the form below and return with a check made payable to “The Chatfield School” to Mr. Boyle, Athletic Director, by December 15th. Please contact Mr. Boyle at lboyle@chatfieldschool.org or 538-1733 for more information.***
