Box Tops Wanted!

Please send in your box tops to your child's homeroom teacher with their teacher's name labeled on the bag.

Cause and Effect Essay Revision and Due Date

Students have been spending a lot of time drafting and developing a cause and effect essay. They have learned specific lessons to aid the development of their paper and have spent time revising portions of the essay in class independently and with their homeroom teacher. Students are expected to practice in-text citations and create a works cited page using the MLA formatting guidelines. We have taught them how to use online resources to aid the citation process. We would like you to revise the essay with your child. Specifically, we would like you to check for grammatical errors- comma usage, punctuation, correct use of capital letters, use of transitional phrases and correct spelling. Any other insight you may be able to provide your child is appreciated! The essay is due next Monday, December 17. **Thank you for your support!**

Skyward and Progress Report

Please check Skyward weekly to stay current with your child's progress in all academic subjects. **Please make sure to check to see if your child has any missing assignments. Progress report grades will be posted Friday. As always, we appreciate your support!**

Sixth Grade Christmas Centerpiece Team Building Challenge

Monday, December 17, sixth grade students will work in teams to design and create a Christmas centerpiece to be featured at Treat Street. We are encouraging students to be creative. We would like them to bring craft-like objects or Christmas items (lights are acceptable) to school Friday, December 15 to be used in their team's design. Items should be inexpensive or things found around the house. Thank You!
