

School Supplies for Third Grade 2016-2017

If you would like to get started on your back-to-school shopping (because of all the sales), we have enclosed a list of suggested school supplies and have included pictures to help with your shopping.

All items brought to school will become part of our classroom supplies. This includes; pencils, colored pencils, glue sticks, etc. All members of the 3rd grade will be sharing all supplies. Because the supplies are stored in classroom totes, your child will not need a pencil box, nor will it fit in their nook. **NO MECHANICAL PENCILS WILL BE ALLOWED.** They are a distraction.

In order to teach organizational skills, your child will be using color-coded notebooks and folders for various subjects. Please have your child bring in only these notebooks; we will supply the coordinating folders. Additional folders or binders are not needed, and they will not fit in your child's nook. Please label the front of the notebooks with your child's first and last name. We will add labels to the notebooks during school.

Thank you for your support.

Mrs. Dunsmore, Mrs. Nolan, and Mrs. Zarate

Suggested Supplies

70-page wide-ruled spiral notebooks, one of each color

_____ blue
_____ green

***please only purchase metal spiral notebooks, non-perforated preferred. The notebooks that are taped together fall apart.**

_____ two composition books.

- _____ 8 glue sticks
- _____ lots of Number 2 pencils, Ticonderoga preferred (3 boxes suggested)
- _____ boxes of tissue
- _____ one package of colored pencils
- _____ highlighters - pink, yellow, green, blue, and orange
- _____ package of 16 crayons
- _____ a pencil pouch with three holes. It has to lay flat in their nooks.
Please do not purchase the box style plastic ones, they are too big.
- _____ a small pencil sharpener with a built in shavings collector
(please do not send in an automatic sharpener. The students do not have room for then in their nooks.)
