VOCABULARY STUDY

There will be a vocabulary quiz this Friday over Walk Two Moons (List 1B). Please ask your child how they are preparing for the quiz. We share and discuss study techniques regularly in class.

PROGRESS REPORTS

Progress Reports will be sent home on Friday. All missing, late and absent work **MUST** be submitted by Tuesday morning in order to be reflected on the report. **PLEASE SIGN AND RETURN THE REPORT BY MONDAY, MARCH 12th.**

PICTURED ROCKS PAYMENT

Final payments were due last week. Please submit your final payment as soon as possible and let us know if you have any questions.

SCIENCE ASSESSMENT

Students were given a science review last week for our assessment that is scheduled for this Friday, March 9th. We will also have a review session on Wednesday during class. Students are also expected to be spending time preparing for the test at home.

calendar change

Due to the number of snow days we have had, there will now be a full day of school on Monday, April 2nd.

DONATIONS NEEDED

On Friday, March 23rd we will have our annual Candy Hunt for students in the middle school. We are asking for a donation of one bag of wrapped candy from each family. Also, if you are able to help out with the Candy Hunt, please let us know. Thank you for your continued support.

MARCH IS READING MONTH

Throughout the month of March, Chatfield will be celebrating reading month. There are various activities planned throughout the building. All middle school students have a calendar with daily reading related activities.

Classroom Corner

MATH: Each day your child will receive a math assignment. Please check your child's classroom calendar to stay informed on what lesson your child is completing.

SOCIAL STUDIES: In Social Studies, sixth graders will continue to examine the five themes of geography: Location, Place, Movement (of people and goods), Human-Environment Interaction and Regions. Students will continue to learn about various forms of government. They are expected to be familiar with forms of government found in the Western Hemisphere and compare them to our form of government. This week, students will continue to learn about how the United States government interacts with other countries. **They will also be given a study guide to help prepare for an assessment that will be given Wednesday, March 14th.**

SCIENCE: In Science, students will begin learning about weather and climate. Throughout this unit, students will learn the similarities and differences between weather and climate and look closely at the effects that the ocean has on both. They are also expected to know about the atmosphere, geosphere, and hydrosphere as they relate to weather and climate. **Our Solid Earth Assessment is scheduled for Friday, March 9th.**

ENGLISH LANGUAGE ARTS: Students will continue to learn about Vignettes as we read the novel titled, Seedfolks. This is an excellent novel for teaching the qualities of a vignette, but students will also learn about diversity, ethnicity, geography, community involvement, and good character. Additionally, we will continue reading the novel Walk Two Moons by: Sharon Creech in book club.

INDEPENDENT READING: Students will have access to our school library and classroom books Monday through Thursday from 8:20-8:45. **Students are expected to be reading at home daily for 30 minutes.**
