

April 24th - May 5th Newsletter 2017

News:

April 28th: Super Science Friday- (21) 7th graders will be volunteering to attend U-of-M's Super Science Friday. They will depart at 7:45am and return at 2:30.

M-Step Schedule:

Tuesday, May 2nd - ELA Computer Adaptive

Wednesday, May 3rd - Science

Tuesday, May 9th - Math Computer Adaptive

Wednesday, May 10th - Math Performance Task

ALL M-STEP TESTING WILL BE COMPLETED IN THE MORNING; PLEASE ARRIVE ON TIME

We are accepting donations for healthy snacks on testing days. Please contact Mrs. Smith.

CURRICULUM

ELA: Students will begin their author study on E.L. Konigsburg working in small book groups. Students will also be completing creative writing pieces, and reviewing grammar concepts such as pronouns, apostrophes, adjectives, and kinds of sentences (declarative, interrogative, imperative, exclamatory).

Science: Students will learn about osmosis and diffusion, to explain how solutes and other materials move across membranes. Students will design and conduct their own experiment, and draw conclusions based on their observations. They will then apply that knowledge to their Cells R Us project.

Social Studies: Students will be taking a test over 5 major religions in the world; Hinduism, Buddhism, Judaism, Christianity and Islam. They will also be learning about Roman Innovations including; Technology and Engineering, language, writing, calendars, culture & lifestyle and arts.
