FROM THE DESK OF THE DIRECTORS

Our theme this year is Academic Excellence with Compassion. To us this means that we maintain high expectations for student academic success and that we maintain high expectations for student behavior and interactions while building relationships and empowering students to be their best. Please continue to maintain high expectations for your child's academics, behavior, and social interactions. Together we can help our students continue to reach new heights.

CHATFIELD SCHOLASTIC BOOK FAIR IS COMING!

The Chatfield Book Fair will begin on Monday, Nov. 26. If you would like to help please let Mrs. Neumann know! What a great opportunity to begin your Christmas shopping!

SCHOOL CLOSING INFORMATION

It's that time of year again when we must discuss school closings. As you know, the weather and roads can be an issue this time of year. Mr. Kraly and Mr. Young want you to know that they are always concerned about the safety of the students and parents.

We will be working with the superintendents from other local school districts and the Lapeer Intermediate School District to determine the conditions around the county.

If your local district is closed that does not mean that Chatfield is closed.

The school directors will make the determination as early as possible and send out messages via:

Radio: WWJ 950, WJR 760, WMPC 1230

Television: Fox 2, Local 4, ABC 7, WWJTV CBS, CW 50, ABC 12

Internet: www.chatfieldschool.org

Skylert School Messenger: Parents can adjust their contact preferences, E-mail, Text, Phone Call, by going into Skyward Family Access and clicking on the Skylert tab.

As a general rule of thumb Chatfield School does not have early release on days where the weather and roads become worse during the day. We will provide updates regarding the status of evening activities by posting them to the school website.

Road conditions can vary around the county and on different surfaces so as always use your best judgment and safety when determining if you should drive to school. Safety is always our first priority.

PIE SANTA'S SHOP

The Santa's Shop is coming in December. We are in need of crafts that you would like to donate that can be sold. In the past we have had many families donate great items to sell! Please help out!

PIE MEETING NOVEMBER 13TH

The November PIE meeting is scheduled for tomorrow, Tuesday, Nov. 13 at 3:45pm. We hope you can join us.
