

Have Fun with your Family while exploring the Joys of Gardening at The Willows at Chatfield School

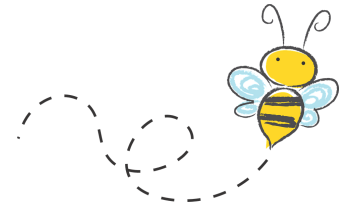

Garden Club is an Educational Family Program, open to all families, that meets weekly throughout the Summer on Mondays 6:30-8:30 PM.

Begins June 18th through August 20th (No class Monday, July 2nd)

Each Monday evening session will include: garden maintenance, *a prepared garden fresh local food entree*, and a relevant learning topic.

This is fun and educational for the whole family! Natural and cultural history topics including; foraging, organic agriculture, food processing and preservation, beekeeping, permaculture, earthen ovens and native technology.

Children must be accompanied by at least one parent/grandparent/guardian.

A \$3 per/person fee each week will cover the cost of program supplies and special seasonal prepared foods. Financial support is available for a family in need. Please contact Mr. Kraly at bkraly@chatfieldschool.org

This program is facilitated by Peter McCreedy and Sue Jostock.

Please contact us if you have any question.
