- **Virtual School Day** Friday, May 31st (students will log on to Chromebook to complete assignments from home). This is for 6th and 7th grade students ONLY.

Curriculum Notes

ELA: Students will continue reading *Out of the Dust* by Karen Hesse. This will be done as a classroom read-aloud. Students will continue working on the digital assignment connecting to comprehension and vocabulary with the story. We will learn about reading and writing poetry. Students will write several poems, and prepare to read at least one aloud at our Poetry Cafe on the last day of school.

Social Studies: Students will be working on their Pure Michigan Presentations. This will include Sault Ste. Marie, Mackinac Island and Fort Michilimackinac's features and history.

Science: This week students are learning about six human body systems: respiratory, circulatory, muscular, excretory, nervous, and digestive. They will draw and label each system, and learn about how the systems work together. We will wrap the unit up with a test, and then move on to plant systems.

7th Grade Team:

Mrs. Logan: 810-538-1731

tlogan@chatfieldschool.org

Mr. Kurtz: 810-538-1730
